Secondary Admissions 2024

If your child was born between 1 September 2012 and 31 August 2013, you will need to apply for your child to start secondary school in September 2024.

Sixth Form Admissions

Admissions to sixth form are dealt with directly by schools or by the Haringey Sixth Form College. You can find out more about the admission criteria for sixth form in

[Sixth Form Admissions Criteria](#)

SEND Admissions

Haringey provides a range of specialist facilities and support services for children with special educational needs and/or disabilities (SEND). The special educational needs of most children are met in mainstream schools where additional help is available. In certain cases a special school or unit may be appropriate. Information about provision for children with special educational needs and/or disabilities (SEND) is available from the SEN team.

If your child has a statement of Special Educational Needs or an Education Health and Care Plan, their transfer to secondary school will not be via the normal admissions procedure set out in this booklet. The SEN Service will write to you in September and explain the procedure for applying for a secondary school for your child. If you have any questions about this process please contact the SEN team.

Applying for a school place

Deciding which school place you would like to apply for

- 1. Consider how likely it is that your child will be offered a place at your preferred schools.**

Read the admissions criteria for each school and look to see which criteria apply to your child. See the [Admissions Criteria](#) for Haringey community schools.

- 2. Look to see how many places each school has available. This is called the Published Admission Number (PAN).**

The admission number for each school is listed under each school's entry in [Haringey Schools A - Z](#)

- 3. Please use Haringey's online [Distance Calculator](#) to find your home to school distance measurement.**

If you are a Haringey resident then you can use the online tool to find out your home to school distance. Please note that this tool will only work for Haringey schools.

If you are applying to schools outside Haringey you will need to contact the borough where the school is located for your home to school distance measurement.

If you live outside Haringey and you would like to find out your home to school distance measurement for a Haringey school then please email your distance request to schooladmissionscs@haringey.gov.uk

See how the [Oversubscription Criteria](#) was applied last year, including the distance of the last child offered a place at a particular Haringey School.

Please remember that although this information can be used to give you an idea of how likely it is that you will be offered a place at your preferred school, the 'last distance' will change every year. We can never guarantee any child will be offered a place at any school.

- 4. Visit schools.**

Please contact each school directly to arrange a visit.

- 5. Read Ofsted reports.**

You can view reports at www.ofsted.gov.uk

- 6. Consider how your child will travel to school**

There is an expectation that children should be able to travel independently, and safe travel should be considered. Parents are encouraged to discuss the route to school with their children and practise this before school starts.

Do: Talk to your child about the decision

Don't: Let others influence your decision – the right school for your friend's child may not be the right school for your child.

Applying for a school place

Myth: Children in my road go to the school so my child will too.

The number of pupils offered under each criterion at each school can change every year so just because you know pupils living near you that go to a certain school, it does not mean that your child will be offered a place there.

Myth: My child has a right to be given one of our school choices.

The schools you list on your application form are not choices but preferences. Each school preference will be processed in accordance with the school's admission arrangements and the highest possible preference will be offered. When we are unable to offer any school listed on your application, we will allocate the nearest school to your home address with an available place.

Myth: Listing one school will mean that you will have to offer me that school.

If you list only one school and your child cannot be offered a place under the school's admission arrangements, we will offer the nearest school to your home address with a vacancy.

Myth: It does not matter if my form is late.

If you apply after 31 October 2023, we will look at your application after all those that applied on time and it is very unlikely that you will be offered one of your preferred schools.

Myth busters

Myth: I live nearer to the school than the last child offered under the distance criterion last year so I'm guaranteed a place.

*Although the information listed in the **Oversubscription Criteria** table can give you an idea of how likely it is that you will be offered a place at your preferred school, the 'last distance' will change every year. We cannot guarantee any child will be offered a place at any school.*

Applying for a school place

Myth: If I apply to a school in another borough, their residents will have priority over me.

An admissions authority cannot give priority to its own residents and published admissions criteria cannot include the borough of residence. Haringey cannot and does not discriminate between applicants who live in the borough and those who do not.

Myth: I have an older child already at the school so I do not need to apply.

Even if you have an older child at the school, without an application you will not be considered. Also, some schools do not have a sibling criterion. Please look at the admissions criteria for the school you are applying for.

Myth: Listing the same school six times will improve my chances of being offered a school.

Your child can only be considered once for a school and any duplicated preferences will be deleted.

Myth: Our primary school is very near to the Secondary school we want and all my child's classmates will be going there so we will also automatically go there.

Myth: I can only apply for Haringey schools.

You can apply for both Haringey and out of borough schools by naming them on the Haringey application form.

There is no guarantee that you will be offered the Secondary school near to the primary school your child attends. Your application will be processed in accordance with the school's admission arrangements. Please be aware that most children are considered under the distance criterion.

Applying for a school place

Key information to consider

- We recommend that you list six schools on your application form. This will maximise the possibility of your child being offered a school you would like them to go to.
- The schools can be in Haringey or elsewhere.
- Please list the schools in the order you most prefer them.
- Please do not list any private fee-paying schools on the form.
- You must check if any of the schools you are applying for require a Supplementary Information Form (SIF) to be completed. We have clearly shown in the **Haringey Schools A - Z** of this booklet which Haringey schools have a SIF. You will need to ask the school for the SIF.

Before you make your application

- Before starting your application please ensure you have a valid email address.
- Apply online from 1 September 2023 at www.eadmissions.org.uk

Fraudulent Applications

Haringey Council takes any attempt to obtain a school place through fraudulent means very seriously. We reserve the right to undertake checks to verify any information provided on your application form. If we find out that a school place was obtained using a false or misleading address, we will withdraw the offer and give it to the child who was entitled to the place.

We consider that every school place obtained by deception is unfair, as other children are being deliberately denied their legitimate claim to take up that place. Rigorous checks will be carried out to ensure that applications are not fraudulent.

We carry out random checks on a number of applications and we reserve the right to carry out home visits to the address used on an application form.

We will also ask the new school to check the child's home address at the time of admission.

If it is different from the address on the application form, we will check whether the previous address was a temporary address, used for the purposes described above.

If the place is obtained for an older child using fraudulent information, there will be no sibling connection available to subsequent children from that family.

If you suspect someone intends to use, or has used, a false address to obtain a school place, please complete the [fraudulent address referral e-form](#) on the Haringey website.

Alternatively you may wish to email fraudcall@haringey.gov.uk in confidence. You may also wish to write to schooladmissions@haringey.gov.uk

All cases will be investigated.

If we find that a place has been obtained using fraudulent information, there will be no sibling connection available to subsequent children from that family. We may also withdraw the place even after your child has started school.

More information on how and the reasons why we investigate suspicious applications is available online in our address of convenience protocol [here](#)

Frequently Asked Questions

What is a 'main residence'?

The address you provide must be your child's only or main residence on the closing date of the application. A child's home address is defined as the child's only or main residence, and excludes any business, relative's or child-minders address (other than the normal residence of the child's primary carer).

Parents are not permitted to use a temporary address to secure a school place for their child. A business address, a childminder's address or any address including a family member's address other than the child's only or main residence will not be accepted. Proofs of address will be sought in all cases and if there is any doubt about the validity of the address given the application will be the subject of further investigation.

Please provide the following evidence:

- Council tax reference number (as shown on your annual bill or direct debit statement), and/or tenancy agreement.
- A copy of your gas or electricity bill dated within three months of 31 October 2023

We will use council records to verify addresses.

Do you accept temporary address?

We will not accept a temporary address if you still possess a property that was previously used as a home address, nor will we accept a temporary address if it is used solely or mainly to obtain a school place. If you own a property but are living at and apply from a different address, the council will consider that the second address is temporary and that the property you own is where the child normally lives. Where the owned property is being renovated, this will still be considered the child's only or main residence.

Evidence will otherwise be required that the property has been disposed of. If a family own more than one property, the council will request further evidence to demonstrate where the family normally live to determine the address we will use for the child's application.

What if my child lives at two addresses?

If parents are separated, the application should be made by the parent the child normally lives with. Where a child spends equal time during the school week with each parent, the exact arrangements must be made clear in a letter with a copy of any custody or residency order submitted with the application.

If there is no court order governing whom the child is to live with and when they are to live with those persons, then the address at which any Child Benefit is claimed, or the address at which the child is registered with a GP will be considered.

It is the parents' responsibility to agree between themselves and make clear which address will be used and to provide supporting evidence in respect of that address. Your application for a school place can only be processed from one address. The final decision about which address is to be used for admission purposes rests with the admission authority.

What if I change my address after applying?

We can only accept changes of address once they have taken place. We will not be able to process your application from an intended address. Notice of an actual change of address must be provided to the Haringey Admissions team in writing with the appropriate evidence.

If you move address, please let us know immediately and provide the evidence set out above. If you do not tell us about a move, or about a declared house

What happens if my child is not offered one of my preferred schools?

Sometimes we cannot offer any school listed because in every case other applicants met the admissions criteria better than your child did. For example, other applicants lived closer to the school.

If this happens we will offer a place at the nearest school with an available place. With the governors' agreement, it may be possible to allocate places at academies, foundation, voluntary aided and free schools, if there are any available.

6	School F	✗	

The place at school D would be offered to the next child who best meets the admissions criteria.

The results of your application

Online applicants will NOT receive an offer letter on 1 March 2024. You will receive an email notification and you will be directed to our website to view your letter.

Waiting list information and the information on your right of appeal set out below will be included in this letter.

Date	What will happen?
1 March 2024	Online applicants will receive notification of their offer in an email Paper applicants will be sent an offer letter
15 March 2024	Acceptance Deadline - Online applicants should accept their offer online

Accepting the offer

Please accept your offer online by 15 March 2024. If you do not accept your offer, you will be asked what arrangements you are making for your child's education in September. Please email schooladmissions@haringey.gov.uk with any further questions regarding your offer.

Remember that the offer you receive will be either:

1. The highest preference school your child qualified for (offer)
2. The nearest school with an available place (allocation)

Accepting the offer will not influence your waiting list position or appeal outcome.

Please note we will not give out any offer information over the phone.

You must contact your home Local Authority to accept or refuse a school place. Please do not only respond directly to schools.

Applying for a school place

Waiting lists

If we cannot offer you your first preference school, your child's name will automatically be added to the waiting list for any schools on your form listed higher than the school you have been offered. Waiting lists are ordered strictly in accordance with the school's admissions criteria.

Waiting list positions can change at any time depending on other applicants' circumstances and it is important to note that your child's position may go down as well as up if other applicants join the waiting list.

Waiting lists are renewed each academic year and we will write to you to ask you to complete a new application form if you would like your child to be placed back on school waiting lists. If you would like your child to remain on the waiting list for any outborough schools, please contact the borough the school is located in for more information.

School admission appeals

If your child is not offered a place at one of the schools you listed on your form you can appeal against this decision to an independent appeal panel. You will be given details of how to make an appeal in your offer letter. The deadline to appeal is 15 April 2024.

Appeals are heard by an independent appeal panel of three members of the public. You can only make one appeal for each school listed on your form. If you did not get a place at more than one school you listed on your application, you can make a separate appeal for each school.

Please be aware that if one of these schools is a voluntary aided school, free school or an academy, you have to appeal to the school direct as they are responsible for organising their own appeals.

When you indicate your wish to appeal for a secondary school place you will be contacted by the Appeals Administrator 10 days before the hearing to confirm the date. Details of the appeals timetable will be published on our website by 28 February 2024.

You are able to submit additional evidence or documentation that might be relevant to your appeal. Please submit any evidence as soon as possible and before the hearing. This is so that all the other participants have time to read your information.

Where possible, appeals for late applications will be included with those being heard for the same admissions round. However, if this is not possible, appeals for late applications will be heard during the 2024 autumn term.

Admissions criteria for community schools

If we receive more applications than spaces available at Haringey community schools then we will apply the following admissions criteria.

Oversubscription criteria

When the school is oversubscribed, after the admission of pupils with an Education, Health and Care plan naming the school, priority for admission will be given to those children who meet the criteria set out below, in priority order:

1. Children in Care/ Looked After Children

Children who are looked after by a local authority or were previously looked after but immediately after being looked after, became subject to an adoption, child arrangements, or special guardianship order, including those who appear to the admission authority to have been in state care outside of England and ceased to be in state care as a result of being adopted.

2. Social Medical

Children who the Authority accepts have an exceptional medical or social need for a place at one specific school. Applications will only be considered under this category if they are supported by a written statement from a doctor, social worker or other relevant independent professional. The information must confirm the exceptional medical or social need and demonstrate how the specified school is the only school that can meet the defined needs of the child.

3. Brother or Sister (sibling)

Children with a brother or sister already attending the school and who will still

be attending in years 7-11 on the date of admission.

If a place is obtained for an older child using fraudulent information, there will be no sibling connection available to subsequent children from that family.

4. Children of staff

Children of teaching staff of the school where the member of staff has been employed at the school for two or more years at the time of application and/or children of a member of staff who has been recruited to fill a vacancy for which there is a demonstrable skill shortage.

5. Distance

Children whose home address is closest to the preferred school.

Distance will be measured in a straight line from the Ordnance Survey address point of the child's home to the Ordnance Survey address point of the school, calculated using a computerised mapping system.
