22nd March, 2024

'Love one another; Always do our best; Take care of ourselves and the world around us'

This week the children took part in an assembly with Mrs Neli for Neurodiversity Week. We talked about how we learn in different ways and have different strengths and different areas of the curriculum that we need help with.

Often, some of us need extra time, others may need helpful resources and others sometimes need adult or peer support. We linked this to our core values of respect, understanding and tolerance of others.

In class the children created a poster about how they learn and have been learning the song 'This is Me', from 'The Greatest Showman' using Makaton. We showcased these posters at our celebration assembly.

Overall it has been a very enjoyable week, celebrating what makes us unique, and how we all contribute to our wonderful school community.

Thank you to everyone who took part in our Readathon. We managed to raise a WHOPPING **£2150** worth of new books for our school! We can't thank you all enough for your support with this fundraiser! Our winners will be announced in an assembly once the delivery of our new books (and their prizes) have arrived!

Attendance winners!

A prayer for individuality

Dear God,

Thank you for making us all
different.

Thank you for our St Mary's
community where individuality is
celebrated.

Thank you for teaching us to
embrace our differences.

Amen
